A black and white line-art illustration for a summer school promotion. The central text 'Summer school IS COOL' is rendered in a bubbly, rounded font. 'Summer school' is in a cursive-like script, while 'IS COOL' is in a bold, blocky font. A pair of sunglasses is perched on the 'O' in 'COOL'. The background is filled with various school-related items: a laptop in the top left, a smartphone in the bottom center, a spiral notebook with a pencil in the bottom right, and a beach umbrella in the top center. Palm trees and a sun with rays are also depicted. The entire scene is framed by a double-line border.
